NOON
SANGAMON COUNTY CENTRAL DISPATCH CENTER

PRESENT: David Mendenhall, Tim Krell, Craig Hall, Jeff Thomas, Tony Delgiorno, George Preckwinkle

Others: David Butt, William Lee, Dick Rentschler, Rich Coon, and Andrea Miller

Visitors: Todd Masterhan

Member David Mendenhall called the April meeting to order at 12:00 p.m. Member Tony made a motion to approve the March minutes. Member Craig second. Motion carried. Passed by all.

New Business: Member Mendenhall introduced and welcomed William Lee to the committee. William who goes by Bill is replacing David Butt who is retiring on June 30th. David was able to stay for a couple months to get Bill trained and introduced to everyone. There is a lot of information Bill needs to know before David leaves in June. They are currently working out of the OEM office but Bill will end up at the 911 Office along with 1 other employee who will be replacing Bill Russell who retired last June. David gave Bill an old laptop where he can do work from both right now.

Department Update/OEM Report: David Butt mentioned that last week in was at a conference in Rockford and the reimbursement for the travel is part of the bills which was approved a month or two ago. David said they had a four hour table top exercise on release of anhydrous ammonia. There was a division Chief from the Springfield Fire Department and the disaster response coordinator from Public Health. David stated how important it is to have these kind of exercises every year to keep the organization in good standing.

Rescue Squad Report: David reported that there has been a missing person on the River since Saturday. The guys kayak and belonging were found but he was not. The Rescue Squad, Springfield Fire Department, Conservation Police have been out at Riverside day and night looking for the guy. This is going on day 5 of the search. They are now treating this as a recovery and not a rescue.

SCCDS Report: No SCCDS report

Radio Update: Rich advised the board that things have been pretty quite with the Rural Radio System and has been running as designed.
