MEDIA RELEASE

Sangamon County Highway Department announces the construction for the North Extension of the Sangamon Valley Trail

Springfield – The Sangamon County Highway Department announces the construction for the 6 mile extension of the Sangamon Valley Trail from the Stuart Park connector north to Irwin Bridge Road. This work will begin September 6, 2016, weather permitting and should last through the summer of 2107. Halverson Construction Co. Inc. of Springfield, Illinois was the low bidder with a bid of \$4,870,546.01. The project is funded with \$4,359,240.00 of federal Illinois Transportation Enhancement Program funds with the remainder funded with state federal matching funds and Sangamon County federal aid matching funds. Questions should be directed to the Sangamon County Highway Department at 217-535-3070.
