

Administrative Modification 4 to the
 FY 2017 – 2020 Transportation Improvement Program
November 3, 2016

IDOT – Flashing Beacons/Signing AC to Current

Status of this project was changed from “Advanced Construction” to “Current” in September because the Illinois Department of Transportation considers specific apportionment or state contract ceiling sufficient to meet project specifications and the project is financially active; and the Advance Construction Projects table in the FY 2017-2020 Transportation Improvement Program has been modified to indicate the change to this project as shown below.
