February 25, 2014

Members Present: Tim Krell, Gray Noll, Paul Palazzolo, Robert Salmon, Brian Schackmann

Members Absent: Brad Burnett, Clyde Bunch, Dave Mendenhall, Colleen Swaim

Others Present: Bill Bloch, Greg Largent, Denise McCrady, Angela Sexton, Charlie Stratton

Palazzolo called the meeting to order.

A motion to approve the minutes from the January 28, 2014 meeting was made by Schackmann and seconded by Noll. Motion carried.

Greg Largent, Animal Control, was present to discuss Case 65, 68 and 71. As requested, Largent brought a pair of the gloves that were purchased with grant funds and that are to be cut/puncture resistant. Largent reported that all ACO are issued a variety of different types of gloves when they are hired, now including the new gloves purchased with grant funds. Suggestions by the Committee included checking equipment being used prior to use, pick the correct/appropriate gloves/protective gear, create a well written policy on the use of protective gear so an employee can be disciplined and a volunteer can be removed if the policy is not followed, check to see what other counties use, permanently cover all kennels, install a camera in each kennel run, install fire proof windows on all doors that lead into a kennel run, install an occupied sign on the doors.

Updates on 2013 cases 67 and 72, and 2014 case 02 will be given at the March 25th meeting.

There was no public comment.

The meeting was adjourned.
