

WORKPLACE SAFETY BOARD MINUTES
September 30, 2014

Members Present: Brad Burnett, Tim Krell, Robert Salmon, Colleen Swaim

Members Absent: Clyde Bunch, Dave Mendenhall, Gray Noll, Paul Palazzolo, Brian Schackmann

Others Present: Bill Bloch, Denise McCrady, Angela Sexton, Charlie Stratton

Bunch called the meeting to order.

The Committee reviewed Case 14-55 thru 14-64. There were no incidents reviewed that the Committee felt further investigation would be warranted.

Burnett reported on the immunizations that are required for employees of Sheriff's Office. Immunizations are offered when employees are hired, are not required, and employees are sent to Public Health. Burnett also checked with Building & Grounds and was informed that regular checks for sharp edges are not completed on the food slot doors. Staff are to place a work order when they the doors are in need of repair.

Stratton reported that he had been in contact Greg Largent (Animal Control) and Jim Stone (Public Health) regarding the current policy on the use of proper safety gear. Information is being gathered to be presented at the next meeting.

There was no public comment.

The meeting was adjourned.
