**Reports**

Department Update/OEM Report: David Butt mentioned that this will be his last committee meeting and last week of work as he will retire on June 30<sup>th</sup>. It has been a very busy week. We were able to get an accreditation for the OEM program for the 2 years moving forward. David mentioned that he has really enjoyed having the opportunity to be able to stand before the County Board. In 23 years that David Butt has worked for the County he has 3 oversight chairmen in, which started with Ted Beauker, Dennis Wheeland and the third and last is David Mendenhall. Mr. Butt mentioned to David that he has truly enjoyed working with him throughout the years and thanks for all he's done. Bill Lee mentioned that the tower maintenance has been completed along with the generator maintenance performed. Bill mentioned that once the contract is up looking into saving some money by Bill being the one to change the oil and filter on the generator. It is what he has done for the last 21 years in the Marine Corps. Bill's not sure what the technicality is of employees working on our equipment but it is something that can be checked into in the future when the contract is up. OEM is still taking applications and resumes for the #2 position. 4 more people have applied.

Rescue Squad Report: None

SCCDS Report: None

Radio Update: Rich Coon reported that Auburn and Sherman sites have been repaired and have had no other issues with them. The system had been running well until this last weekend there was a problem with the Illiopolis remote site. None of the radio equipment was at fault though it was an electrical outlet a GFI that failed and took out the Illiopolis site. Monday Wireless was on it and solved the problem by plugging into a different outlet and they were back up and running.

New Business: David talked briefly about the over the Radio funds budget. There is \$32,800 in the fund currently. This year it is planned to add 15,700 more to the fund. This fund is for repairs. Each call has been raised from 1.75 to 2.25 per call.

Old Business: None

Public Comments: Larry Richie mentioned that Loami Fire Protection District has ordered 11 new pagers.

Approval of Bill Requisitions: Member George made a motion to approve the bills. Member Craig second. Motion carried. Passed by all.
