SCCDS Monthly Report presented by Director Dodson. Please see the monthly report. No questions.

Department Inquiries: There was a call with a person down not breathing. The dispatcher paged out to Chatham when Divernon should have been paged and they never were. It was just overlooked, we explained that to Randy and he understood.

New Business: We did the upgrade last Thursday, there were a few hiccups but for the most part everything was up and running smoothly.

Old Business: None
