

SANGAMON COUNTY, ILLINOIS
FLOODPLAIN DEVELOPMENT PERMIT APPLICATION

Application is hereby made for a FLOODPLAIN DEVELOPMENT PERMIT as required under Ordinance #2 passed November 16, 1982, and as amended, by the Sangamon County Board for development as defined in said ordinance. Submitted with this application is the \$100 application fee, or \$200 if development is started prior to the issuance of a permit. Payments made by check should be made out to the Springfield-Sangamon County Regional Planning Commission. The applicant understands and agrees that:

- the permit applied for, if granted is issued on the representations made herein;
- any permit issued may be revoked because of any breach of representation at which time all work shall cease until the permit is reissued or a new permit is issued;
- any permit issued on this application will not grant any right or privilege to erect any structure or use any premises described for any purposes or in any manner prohibited by the ordinances, codes, or regulations of the County;
- construction or addition to a structure also requires a County Zoning Certificate of Compliance;
- the applicant hereby gives consent to the Zoning Administrator, the Executive Director of the Planning Commission, or their representatives, and employees of the Sangamon County Department of Public Health to make reasonable inspections to enforce the provisions of the ordinance without first obtaining a search warrant;
- the permit will be posted in a conspicuous place on the premises, in plain view from a public road; and
- the permit will expire if no work is commenced within six months of issuance.
